

Lions Broadcasting System  
Means "COMMERCE"

Virtual Members and Advertised Sponsors are provided with tools and services to increase commerce. Our system combines participating Lions, schools and sponsors into a single marketing block referred to as the Area Search Engine. To become a Virtual Member or an Advertised Sponsor, visit us at [www.LionsBroadcasting.com](http://www.LionsBroadcasting.com)

Annual support is about \$20 per mo or equal to \$249.95 per year plus a onetime \$49.95 setup.

**We tell the community that you support participating Lions and schools, so they will support your business.**

Participation includes a business marketing module developed by Mark LeBlanc, recent president of the National Speakers Association and author of "Growing Your Business".

After registration, your marketing presentation will be fully optimized for local search.

Participants without a website may request a FREE domain name with a matching e-mail address, which becomes your primary website.

Participants with an existing website will be linked for more traffic.

Lions Broadcasting is a **Patent-Pending** program that advertises and markets your business to consumers and other businesses in your community.

Give people another reason to support your business by adding an **emotional** decision to buy your products and use your services.

100% of your virtual membership, annual sponsorship or additional donation(s) directly and indirectly supports Lions In Sight, Lions, Leo, Lioness Clubs, Schools and other non-profit participants in this program.

To contact a club, school, organization or other member go to the system home page [www.LionsBroadcasting.com](http://www.LionsBroadcasting.com)

Use the search features to find them.
