

IDAHO CMMC ALLIANCE 2025

Brought to you by **SHADOWSCAPE**

CMMC IS HERE - ARE YOU READY FOR AN ASSESSMENT?

Prepare your organization as DoD contracts begin requiring Cybersecurity Maturity Model Certification (CMMC) compliance. Connect with contractors, assessors, and industry leaders to gain actionable strategies for achieving and sustaining compliance.

- **Expert Insights:** Hear directly from a DoD contractor who was one of the first to successfully achieve Level 2 Certification.
- **See it in Action:** Watch experienced assessors perform live role-plays of gap and mock assessments to understand what assessors look for and how to prepare.
- **Simplify & Strategize:** Walk away with real-world strategies to scope your environment, implement controls, prepare your team, and optimize your compliance budget.
